

Join our team as a
Head of Development (m/f/d)

At the next possible date

The German University of Digital Science is a new online university.

In addition to our virtual presence, we have an innovative home with the CloudHouse in Potsdam Babelsberg, where we want to bring new work and collaboration formats to life for us and our partners

TASKS

- Develop extensions/plugins/etc. for e-learning platform (based on Open edX, Django)
- Develop Web APIs to connect the separate parts of the system
- Supervise free-lancers and in-house developers
- Review code and manage code quality, conventions, and best practices
- Design software architecture details

WHAT WE OFFER

- (Partially) remote possible
- Further development and learning opportunities, both in our own university program and external certifications and training courses
- Shared use of the university's infrastructure, e.g. virtual library
- Space for your ideas and concepts
- Developments / scripts and solutions may be made available as open source
- A workplace in a modern office in a creative environment
- A dedicated team with lots of experience, but without rigid hierarchies
- Appropriate pay depending on your profile

WHAT WE ARE LOOKING FOR

- **Skills**
 - **Mandatory:**
 - Python programming language (Expert)
 - Django Framework (Expert)
 - JSON, Web APIs (Expert)
 - GIT/github (Expert)
 - Test-driven Development (Expert)
 - Experience with SCRUM or KANBAN (Advanced)
 - Team leading (Advanced)
 - **Plus:**
 - Ruby programming language (Advanced)
 - HTML, Javascript (Intermediate/Advanced)
