

Join our team as a

Working Student for Media Technology (m/f/d)

At the next possible date

The German University of Digital Science is a new online university.

In addition to our virtual presence, we have an innovative home with the CloudHouse in Potsdam Babelsberg, where we want to bring new work and collaboration formats to life for us and our partners

TASKS

- Support in the production of educational videos
- Preparation of recording sessions in the studio
- Technical support for teachers in the recording studio and post-production of the recorded content
- Support with events (live streaming)
- Preparation and production of podcasts

WHAT WE OFFER

- Further development and learning opportunities, both within the university's own program as well as external certifications and training courses
- Shared use of the university's infrastructure, e.g. virtual library
- Space for your ideas and concepts
- A workplace in a modern office in a creative environment
- A committed team with a lot of experience, but without rigid hierarchies

WHAT WE ARE LOOKING FOR

- Ideally you are studying media studies, film and television production, marketing, communication or a similar subject area
- Enjoy working with recording technology, video editing tools and interacting with people
- Professional communication skills at all levels in English and German
- Ability to work independently and in a team with changing requirements under own responsibility
- Willingness to learn and openness to change
- Creativity, initiative, organizational skills and time flexibility
- Ideally previous experience with camera equipment, DaVinci Resolve / Adobe Premiere, Black Magic TechStack

Have we captured your interest? Then we look forward to receiving your application. Please send your application preferably by e-mail to: jobs@german-uds.de. If you have any further questions, please contact **Nele Friedrichsen** (nele.friedrichsen@german-uds.de)
